# FIELD SITE RULES

Facility, event staff, and security will be checking to make sure people are following the site rules. If you are caught violating these rules you will risk expulsion from the event, disqualification for your team, and potential ramifications outside of the event.

## Northwest Recreation Complex

- Fighting, cursing, loitering and any other behaviors deemed inappropriate are prohibited and are grounds for removal from the facility.
- No glass nor alcohol may be brought in.
- Drugs and smoking are strictly prohibited.
- Children should not be left unattended.
- No pets allowed except for service animals.
- Spectators and equipment must stay at least three yards away from the sidelines.
- Trash and recycling: Please do not litter at the field sites. There are a multitude of trash cans available for you to dispose of your trash. Orange and banana peels should be thrown out and not left on the grass, this attracts animals that may damage the field.

# COMPETITION RULES

## All games:

Games to 13 straight, no win by 2

2026-2027 Ruleset

Halftime is 7 minutes

Halftime cap horn is blown at 40 minutes

Soft cap (+1) horn blown at 80 minutes

Hard cap horn blown at 95 mins

1 timeout per half plus 1 floater

Timeouts are allowed in soft and hard cap if you have them from regulation

No hard cap used in championship semifinals and finals on Sunday

## Halftime cap:

Halftime cap works just like soft cap. At the halftime cap horn, play continues until the current scoring attempt is completed. If, after the current scoring attempt is completed, the halftime target has not yet been reached(7 in a game to 13 or 8 in a game to 15) by one team, one is added to the higher score and the resulting number is the new halftime target. Make sure after taking halftime your teams properly switch endzones as from the start of the game.

## Soft cap:

Finish the current point, then add one to the higher score and play to that but do not exceed the original game score(13 or 15). Waiting on the line is part of the current point. Timeouts are allowed in soft cap provided you have remaining timeouts from regulation.

## Hard Cap:

Finish the current point. Then if tied, play one more point. If not tied, team with more points wins. Timeouts are allowed in hard cap provided you have remaining timeouts from regulation.
